

Avalone

Optiflame®

The sleek finish and simple lines of the frame are the distinctive features of the Avalone. Its contemporary, minimalist design perfectly blends in with modern interiors, especially those in scandinavian style. The unobtrusive appearance of the fireplace vividly exposes the warm light of the Optiflame® fire. The rich flames are clearly visible, and their brightness as well as the generated heat can be adjusted by the remote control. The Avalone concrete will definitely attract the attention of those, who find modern interior design very appealing.

USP's

- Modern design with a white finish
- Digital thermostat for easy temperature adjustment
- The flame effect can also be used without the heat to enjoy the charm of the fireplace 365 days a year
