Ravel Suite

With its subtle, minimalist design, and distinct choice of colors and materials, the Ravel delivers the pure essence of a fireplace surround in to the finest detail. In combination with a Dimplex Engine 56-600, this suite set stands out especially in modern styled interiors with touches of industrialism, allowing full attention for the flames. (Note: Engine not included).

USP's
- Satin white and black with concrete effect base
- Modern style will compliment all room styles
- Excluding engine. Suitable engines are the Engine 56-600
