Torn 64

Torn 100

The refined simplicity of the TORN Line brings an extra level to the most diverse interiors, and that in almost every place. As a beacon of tranquility and inspiration. Thanks to the electric Optimyst® fire, TORN fireplaces are also clean, safe and sustainable, with atmospheric flames that consist only of cold water mist and light. Experience the power of essence.

## Refined simplicity

The refined simplicity of the TORN Line brings an extra level of ambiance to the most diverse interiors, exactly where you want it. All of this is due to the fascinating yet safe Optimyst® flames and the compact, free-standing design, which does not require a chimney. The high model is equipped with pleasant and silent electric heating. Experience the power of essence.

- Compact size for ambiance almost everywhere in your home
- Easy-fill water tank, for several hours of operation
- Log set included
- Built-in thermostatic heater can be operated separately (Torn 100 only)
