

Cassette 1000 retail

Optimyst®

Picture the perfect fireplace. But forget about venting and heat, because flames are made of pure water vapour and LED light. Flames you can reach out and touch. The revolutionary Optimyst® Cassette models redefine the electric fireplace and enable you to add a dramatic fire feature to any space, with stunning realism. Ready to be combined and linked with a Cassette 500. For that see-through, three-sided, or fully open concept you envisage - in any length, for any location. Possibilities are simply endless. The perfect opportunity to play with fire!

USP's

- Suitable for installation projects and designed to fit into a custom-made frame or fireplace
- Easy-fill water tank, offers around 8-10 hours of continuous operation before refilling is required
- Quick-fit IEC (kettle) connection for an individual fireplace of any length
- Crackling logs sound effects with adjustable volume
- Log set available as an accessory

The Cassette 1000 is delivered without a log set
