

Vista 130 | | III

230V/50Hz | 35 / 70 Watt

Experience Better Living

Built In

The Vista is the perfect blend of rich flame experience and space-saving design. With sparks jumping off glowing logs and the crackling sound of a wood fire, the Vista gives you a lifelike flickering flame effect. Created with Opti-Virtual® technology, brought to you by the original inventors of the Virtual flame technology. Choose from a 3-sided or front-facing option, both with a stunning 40cm viewing window and limited installation depth. No compromises! Coziness meets functionality with the thermostatic heater, providing warmth and comfort at your fingertips. Even when the fire is off, the ceramic logs and decoration create a beautiful focal point.

- Opti-V® flame technology; the first realistic virtual flame technology on the market, patented by Dimplex.
- Realistic log set with glowing LED lights, stunning even when the fire is off
- Available in 1- and 3-sided option
- Flame effect with heating function for year-round enjoyment

-  1 or 3-sided fireplace
-  Blended 3D technology creates enchantingly beautiful flames
-  The first virtual flame technology on the market, patented by Dimplex.
-  Virtual technology and LED backlight produce lifelike fire effects, enhancing room ambiance in any situation.
-  Product includes fixed logs, but Opti-Virtual technique creates an illusion of logs both in front and behind flames.
-  Powerful fan-assisted heating by safe element that provides additional heating on demand.
-  Control all functions of the fireplace from the comfort of your chair.
-  Standard slatted backpanel enhances realism and visual depth
-  Adjustable up to 8 hours.
